It is recommended you order a course book and fold out visual aid for each participant at your course. However, you may like to offer the option for couples to share a book.

Additional books and visual aids may be returned to Biblical Turning Points in new condition within 2 weeks of the start of your course for a refund.

The large format visual aid details and order form are on a separate page.

The large visual aids allow the presenter to visually show in a matter of moments what would take many hours to verbally explain. While it is not essential to use the large visual aids, it is highly recommended, as it is a distinguishing element of the courses. There are schools that have permanently put them on the wall of their Christian Studies classroom and churches who are displaying them as an opportunity to provoke discussion about the Bible's story.

Select from the size and medium options below to order a visual aid created for your space.

Delivery is made directly from our printer. We will contact you prior to finalising your order to confirm size and medium of your visual aid(s) and delivery charges.
